

I am writing in support of the K-LOVE radio station that I receive on 89.9 in Toledo Oregon. I first found this radio station from a bumper sticker on a car in front of me on the drive to work. Now it is my favorite radio station. It is a good news radio station, filled with positive messages, it is listener supported but still delivers news, and great music. I think the message is important and counterbalances much of the negative things on the radio. Please allow this to continue. Thank you for your time.
